Come to Olympia to Testify in Opposition of SB 5929

We are asking you to come to Olympia to **testify in opposition** of **SB 5929**, New State Capital Gains Tax of 7% and other tax increases, which is **scheduled for a hearing** tomorrow, **Wednesday, April 26 at 3:00 p.m.** in the **Senate Ways and Means Committee** in the **JA Cherberg Building Room 4**.

- This does not apply to the home that you live in – but does apply to apartment houses, commercial buildings, self-storage, shopping centers, and other real-estate.
- It also applies to the sales of stocks, bonds, and we believe the sale of gold, silver, and other precious metals.
- And, while the tax plan offers some B&O tax relief for very small businesses, tens of thousands of employers would see a **20 percent B&O tax increase**.
- Unless there are clarifications as to whether your business is taxed or not, consider yourself taxed, i.e. unless you are specifically mentioned that you are out you are in.

Please let me **know who will be attending** by emailing me at mgjurasic@comcast.net, so that Chester and I can sign you up to testify.

Sorry for such short notice, however, we are hearing from lawmakers they would like to see business representation testifying on this legislation in Olympia.

We will meet you at the hearing.
